Current Time Zone: HST

BIGGEST AREA OF GROWTH: This is your year to redefine who you are and stand up as the leader of your own life as a new evolution of you. It's time to fully embrace your authenticity while not caring what anyone else may think about your life choices. You may also decide you are ready to lead the way for others by speaking up about your opinions and unapologetically showing others the way forward as the real you as Jupiter moves through your 1st house of Identity & Leadership until **January 24, 2020**.

CURRENT CHALLENGE: Become responsible and disciplined around creating a structured plan to receive the things you value most out of life and working hard to set up a firmer foundation when it comes to money and security as Saturn moves through your 2nd house of Values, Desires & Goal Setting until April 12, 2022.

❖ MONTHLY THEMES & MAJOR EVENTS

Sun in your 1st house of Authenticity & Leadership / November 30, 2019 – January 2, 2020: It's time for you to take the next step forward in your personal evolution. This month, you can finally find the clarity you've been seeking about who you are and what you want to do next as you focus your attention on making something fresh & new happen. Become the bold, courageous leader of your own life and show the world what you're made of!

- ♦ ****December 28 - January 5 - Saturn Return:** Although you may have already been feeling the effects of this for a while, this is the time when you may be feeling the most pressure to get in line and challenge yourself to become more mature, disciplined, focused, and hard-working. Luckily, Saturn will begin laying off more and more after this time!

Sun in your 2nd house of Values, Desires & Goal Setting / January 3 – February 11, 2020: This is a month when you may be focused on deciding what you really want out of life, setting a new round of goals, and figuring out the best way to reach them.

- ◆ ***January 6-10** - *Jupiter aligns with your Uranus:* Change is in the air! During this rare event that only happens every 12 years, you may feel a strong, exciting urge to break out of constrictions to shake things up and do things in a whole new way that will provide a greater sense of creative freedom.
- ◆ **January 10** - *Full Moon Lunar Eclipse in your 8th house of Business & Finance:* This is a potent time for celebrating how far you have come with your financial strategy in the past 6 months while also reflecting on how much further you'd still like to go and releasing any situations including your own personal resistance or limiting belief patterns that may be holding you back from up-leveling this area of your life in the future.
- ◆ **January 17** - *Venus aligns with your Moon:* This is a lovely time for attracting positive emotional experiences that can make you feel loved or cared for by others or even by yourself. It's a great time to pamper yourself and indulge in moments that bring beauty, peace, and harmony to your inner experience of life.
- ◆ **January 18** - *Venus aligns with your Sun:* This is a beautiful time to attract blessings into your life in the form of love, money, beauty, or a feeling of peace and harmony, and it can even be a lovely day to improve your appearance or pamper yourself.
- ◆ **January 24** - *Jupiter moves out of your 1st house of Identity & Leadership into your 2nd house of Values, Desires & Goal Setting:* After a year of embracing the courage to honor yourself in your full authentic expression and beginning to see yourself as more of the leader of your own life rather than a follower of others' wishes, your next biggest area of growth for the next year will revolve around receiving exciting opportunities to become clearer about what you really want, to cultivate the self-worth to believe you can actually have it, and to make a plan to reach out and grab it.
- ◆ ***January 28 - February 1** - *Jupiter aligns with your Neptune:* In this rare event that only comes around every 12 years, you are due for something exciting you have been dreaming about to be expanded into being.
- ◆ **February 4** - *The Sun aligns with your North Node of Future Destiny:* This is an especially clarifying day that only comes around once a year when you can download insights around your future path and what you must do next to embrace your greater potential.

- ◆ ****February 9-17** - *Saturn aligns with your Venus*: During this rare event that only happens every 29.5 years, you are being pressured to get clear on what you really want and examine what you need to be doing to bring more of this into your life whether it has to do with love & relationships, money, material things, or another measure of success or self-worth you feel drawn towards bringing into your experience of life. This is a time where you will be forced to put in the hard work to make it happen while also saying “no” to the things that stand in your way of receiving your true desires.

Sun in your 3rd house of Social Networking / February 12 – March 19, 2020: This month is great for getting out to catch up with old friends, network with new people, and share your thoughts, ideas, and message with others who can help you move forward toward your goals more quickly than you could on your own.

- ◆ **February 18 - March 9** - *Mercury Retrograde in your 3rd house of Social Networking*: This is a good time for revisiting the connections you keep in your life including your social circle or people you have been collaborating or working with to ensure that they are still supporting you in moving towards your true goals. It is also a time of revising the message you are sending out to the world to make sure it still accurately reflects your current mission.
- ◆ ***February 27 - March 2** - *Jupiter aligns with your Mars*: This is an especially powerful time when your motivation, drive, and will to take action and achieve your aims will be strengthened and expanded upon, giving you extra power and endurance to take yourself further in reaching your goals.
- ◆ ***March 9-14** - *Jupiter aligns with your Saturn*: This is a powerful time for feeling excited about your long-term goals and open to the possibilities you can achieve through hard work, focus, and discipline. This unstoppable combination will allow you to achieve anything you set your mind to now!

Sun in your 4th house of Home, Family & Long-term Security / March 20 – April 16, 2020: Your focus for this month is on your personal life and creating a greater sense of comfort for yourself and the people you care about most. You may also be putting more thought into your long-term plans for the future.

- ◆ ***April 16 - May 1** - *Jupiter aligns with your Venus*: This an exciting and blessing-filled time that only comes around every 12 years, bringing you opportunities to attract more of the things you value and desire into your life, whether that means money, love, beauty, or bliss in any form. Just be cautious about overindulging because, even though these two planets bring a great time, it can be easy to over do it. Too much of a good thing is not always a good thing - so pace yourself!

Sun in your 5th house of Creative Pursuits / April 17 – May 9, 2020: It's time to create the things you wish existed in the world by taking your creative ideas out of your head and turning them into a tangible reality. You may be feeling especially creative or in the mood to have more fun during this month.

- ◆ ***April 21 - May 4 - The North Node of Future Destiny aligns with your Jupiter:** During this rare event that only happens every 18 years, you are being called to grow and expand in exciting new ways that will allow you to embrace your highest potential. Amazing rewards are waiting for you outside your comfort zone.

Sun in your 6th house of Daily Work & Wellness / May 10–27, 2020: This is a time when you may be needing to seek more balance by stepping back and re-evaluating your priorities to give your attention to all of the parts of your life that need to be kept into account including your health, wellness, and workflow.

- ◆ **May 13 - June 24 - Venus Retrograde in your 7th house of Relationships:** This may be a confusing time for sorting through your true values when it comes to what you truly desire to experience within your relationships with others, whether it is with a romantic partner, 1-on-1 client, or another supporting role in your life. It can be hard to know what is real or what is illusion, so while this can be a helpful time for reflecting on the past and looking at how things could be better or different in your relationships, it's not usually ideal for making any big decisions because chances are good they will not stick. You may find people from your past dropping back into your life as well to help you come to understand more of what you value.
- ◆ ***May 27 - June 11 - Jupiter Retrograde aligns with your Venus:** Once again, this an exciting and blessing-filled time that only comes around every 12 years, bringing you opportunities to attract more of the things you value and desire into your life, whether that means money, love, beauty, or bliss in any form. Just be cautious about overindulging because, even though these two planets bring a great time, it can be easy to over do it. Too much of a good thing is not always a good thing - so pace yourself!

Sun in your 7th house of Partnerships / May 28 – July 2, 2020: Your focus for this time is likely to be on your relationships with other people as you focus on bringing more harmony into the way you live and work alongside the most important people in your life whether they are a life partner or people you work closely with.

- ◆ **June 17 - July 11 - Mercury Retrograde in your 8th house of Business & Finance:** This can be a confusing, but important time to comb through your financial strategies to find ways to make it even more successful by going back over your plans to uncover any flaws and gain a new perspective on how you can earn and manage your money in a way that feels more enjoyable.
- ◆ **June 20 - New Moon Solar Eclipse in your 7th house of Relationships & 1-on-1 Work:** This is a new beginning for your relationships with others whether romantic or client/customer/colleague-related. How would you most like to support others? This is the time to set a fresh intention on how you would like to be of service in a way that will also be supportive and enjoyable for you in return.

Sun in your 8th house of Business & Finance / July 3 – August 14, 2020: This month, your focus is on organizing your finances, revisiting your strategy for success, and finding ways to boost up your bottom line by working smarter rather than harder.

- ◆ **July 4** - *Full Moon Lunar Eclipse in your 2nd house of Values, Desires & Goal Setting:* This is a powerful Full Moon for releasing limiting beliefs or thoughts of unworthiness of not being good enough or capable enough of being able to receive your greater desires. The more you realize that your thoughts create your reality, the more you will be able to notice when you are not thinking thoughts that will be conducive to the reality you want to live in.
- ◆ ***July 17-23** - *Jupiter Retrograde aligns with your Saturn:* Once again, this is a powerful time for feeling excited about your long-term goals and open to the possibilities you can achieve through hard work, focus, and discipline. This unstoppable combination will allow you to achieve anything you set your mind to now!
- ◆ ***August 2-11** - *Jupiter Retrograde aligns with your Mars:* Once again, this is an especially powerful time when your motivation, drive, and will to take action and achieve your aims will be strengthened and expanded upon, giving you extra power and endurance to take yourself further in reaching your goals.
- ◆ ****August 13-30** - *Saturn Retrograde aligns with your Venus:* Once again, during this rare event that only happens every 29.5 years, you are being pressured to get clear on what you really want and examine what you need to be doing to bring more of this into your life whether it has to do with love & relationships, money, material things, or another measure of success or self-worth you feel drawn towards bringing into your experience of life. This is a time where you will be forced to put in the hard work to make it happen while also saying “no” to the things that stand in your way of receiving your true desires.

Sun in your 9th house of Education, Exploration & Self-Discovery / August 15 – September 21, 2020: This is a time when you may be longing to explore new things whether through learning, traveling, or following your interests in new directions. You may even be feeling ready to teach others.

- ◆ **September 10 - November 13** - *Mars Retrograde in your 4th house of Home, Family & Long-term Security:* Every 2 years, the planet of action, motivation & drive moves backward in the sky, as it slows us down and makes it difficult for us drive forward. This time, it will be affecting your desire to create a more solid foundation for your future. You may find that any goals you have to strengthen bonds with your family, bring more comfort to your living arrangement, or create a savings plan for your future will either be blocked from you making any progress by the universe, or you will feel unusually unmotivated or frustrated by everything. This is an important time to slow down and learn the art of patience as you re-assess what your true aims and passions really are. If something is really worth it to you, it will be worth the wait to properly see it through.

Sun in your 10th house of Career & Higher Calling / September 22 – October 19, 2020: This is the best time of the year to move yourself forward in your career by doing work that is fulfilling for you and makes good use of your natural talents and abilities to make a meaningful impact on the world.

- ◆ ***October 14-23** - *Jupiter aligns with your Mars:* For the third and final time, this is an especially powerful time when your motivation, drive, and will to take action and achieve your aims will be strengthened and expanded upon, giving you extra power and endurance to take yourself further in reaching your goals.
- ◆ **October 15 - November 3** - *Mercury Retrograde in your 11th house of Community & Friendship:* During this time, you are meant to be rethinking how you would most like to connect, reach out, and be of service to your community as well as surround yourself with a supportive group of the right people and friends. Although it's not a great time to make big decisions around this, it is good for researching your options and brainstorming the possibilities so when the retrograde ends you have become clearer on the direction you wish to go in.

Sun in your 11th house of Community & Friendship / October 20 – November 10, 2020: This month, your focus is on how you can become more helpful to those around you. You may be spending more time with friends or showing your concern towards issues that people in your community or the world seem to be facing.

- ◆ ****October 27 - November 12** - *Saturn aligns with your Venus:* For the third and final time, during this rare event that only happens every 29.5 years, you are being pressured to get clear on what you really want and examine what you need to be doing to bring more of this into your life whether it has to do with love & relationships, money, material things, or another measure of success or self-worth you feel drawn towards bringing into your experience of life. This is a time where you will be forced to put in the hard work to make it happen while also saying “no” to the things that stand in your way of receiving your true desires.
- ◆ ***October 31 - November 6** - *Jupiter aligns with your Saturn:* For the third and final time, this is a powerful time for feeling excited about your long-term goals and open to the possibilities you can achieve through hard work, focus, and discipline. This unstoppable combination will allow you to achieve anything you set your mind to now!

Sun in your 12th house of Spirituality & Deep Reflection / November 11–28, 2020: This is a month when you may feel like retreating from the world and spending more time alone to consider where you are heading next by reflecting back on where you've been and revisiting your hopes, fears, and dreams in order to find clarity.

- ◆ **November 30** - *Full Moon Lunar Eclipse in your 7th house of Relationships & 1-on-1 Work:* This is a major time for release when it comes to the relationships in your life that are in need of release or renewal – whether romantic or work-related – as well as a time to reflect back on what you could do to strengthen

your bond and bring more harmony into your dealings with others in the future.

- ✦ ***November 30 - December 4 - Jupiter aligns with your Venus:** For the third and final time, this an exciting and blessing-filled time that only comes around every 12 years, bringing you opportunities to attract more of the things you value and desire into your life, whether that means money, love, beauty, or bliss in any form. Just be cautious about overindulging because, even though these two planets bring a great time, it can be easy to over do it. Too much of a good thing is not always a good thing - so pace yourself!

Sun in your 1st house of Authenticity & Leadership / November 29, 2020 – January 1, 2021: It's time for you to take the next step forward in your personal evolution. This month, you can finally find the clarity you've been seeking about who you are and what you want to do next as you focus your attention on making something fresh & new happen. Become the leader of your own life and show the world what you're made of!

- ✦ **December 14 - New Moon Solar Eclipse in 1st house of Identity & Leadership:** This is a powerful new beginning for setting a fresh intention on how you would most like to portray yourself to the world as your best, brightest, and most authentic self and watch as your vision begins to quickly unfold over the next few months.
- ✦ **December 21-22 - Venus aligns with your Rising Sign:** This is a lovely day for feeling good about yourself and attracting blessings into your life in the form of love, money, beauty, or admiration or by simply receiving something you desire and value, and these effects will continue to last for the next few weeks as Venus continues moving through your Rising Sign, giving you an extra sense of magnetism as it does.
- ✦ **December 29 - Full Moon Lunar Eclipse in your 7th house of Relationships & 1-on-1 Work:** This is a major time for release when it comes to the relationships in your life that are in need of release or renewal - whether romantic or work-related - as well as a time to reflect back on what you could do to strengthen your bond and bring more harmony into your dealings with others in the future.
