Your Sun, Moon and Rising Sign are the 3 MOST IMPORTANT aspects of your astrology chart. They form the overarching soul mission you are here to work towards in your life + career.

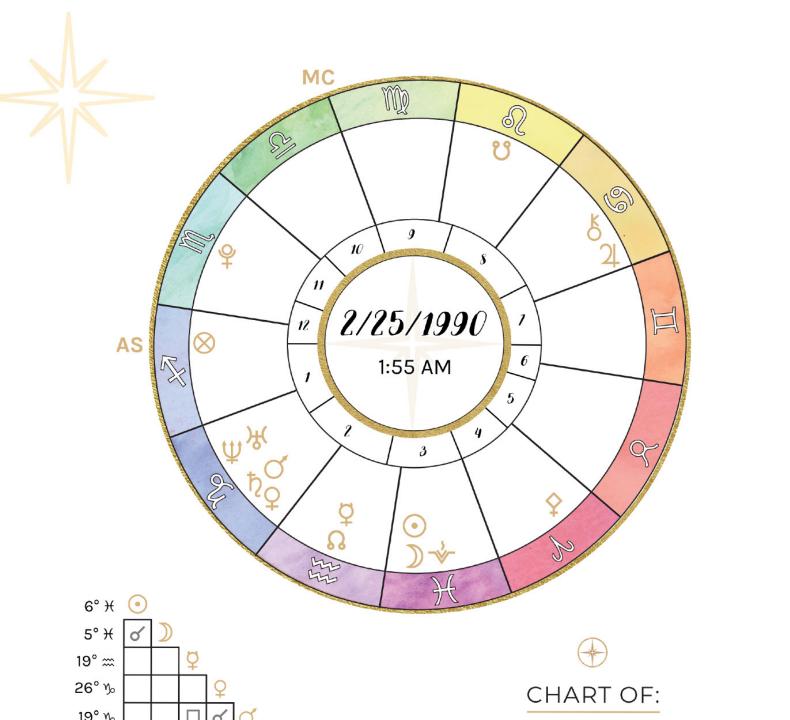

Your Sun Sign is your soul's primary essence. This is where you channel all of your vitality and life force from!

on Sign is your inner emotional

Your Moon Sign is your inner emotional landscape. It is integral to your happiness, sense of security, and overall fulfillment.

Your Rising Sign (Ascendant) is your identity, appearance, and role as a human channeling your soul's essence (Sun) on to the Earth plane. This is the job you're physically meant to do for a living!
